ADVANCE CORRECTION SLIP No. 281

Chapter-II, Section-B: Rules governing the promotion of Group 'C' Staff.

The existing Para 215(a) is amended to read as under:

"Selection post shall be filled by a positive act of selection made by Selection Boards, from amongst the staff eligible for selection. The positive act of selection shall consist of only written test to assess the professional ability of the candidates, for which reasonable advance notice should be sent, except in the case of selection for promotion to posts in the categories of Teachers, Law Assistants, Protocol Inspectors, Receptionists, Physiotherapists, Telephone Operator, Publicity/Advertising Inspectors, where the positive act of selection shall consist of both written test and viva-voce. The staff in the immediate lower grade with a minimum of two years service in that grade only will be eligible for promotion, unless a longer length of service in the lower grade has been stipulated as a condition of eligibility for promotion in a particular category. The service for this purpose includes service, if any, rendered on ad hoc basis followed by regular service without break. The condition of two years service should stand fulfilled at the time of actual promotion and not necessarily at the stage of consideration. If by virtue of the above rule, a junior is eligible for promotion, his senior will also be eligible for such promotion, even though he might not have put in a total service of two years, or more, (if stipulated in particular category in the lower grade).

Provided that the positive act of Selection for promotion to the posts of Loco Pilot (Passenger), Passenger Guard and Motorman will consist of viva-voce only to assess the professional ability of the candidates, after passing the prescribed promotional courses".
