विषय /Sub: Clarification regarding Upgradation of pay structure of
certain cadres.

संदर्भ /Ref: Railway Board's letter Nos.
1) PC-VII/2019/RSRP/3 dated 17.11.2022(RBE 155/2022);
2) PC-VII/2019/RSRP/3 dated 01.12.2022

Kind attention is invited to RBE 155/2022 dt 17.11.2022, wherein orders were issued for upgradation of 50% posts from Level-07 (Group C) to Level 8 (Group C) of certain Group C cadres in the list enclosed therein as Annexure-I and further upgradation of 50% post in Level-8 (Group C) to Level-9 (Group C) after 4 years of service in Level-8.

In terms of the modalities detailed in Annexure A2 of RBE 155/2022, the benefit of upgradation will be effective from 01.12.2022, duly considering the sanctioned cadre strength as on 30.11.2022. After the cutoff date, the annual review of the scheme is to be taken on 1st July of every year. With regard to the classification and designation, it has been stated that there will be no change in the nomenclature, designation, duties & responsibilities and classification of the post after upgradation. Pay fixation benefits as per the extant rule will also be applicable.

Further clarification has been issued by Railway Board vide letter dated 01.12.2022 in which it has been advised that the upgraded post may be classified as non-selection and filled up on the basis of seniority, scrutiny of service records and confidential reports without holding any written examination and/or viva voce and duly following the extant practice for promotion in respect of Vigilance and D&A clearance and also applying reservation rules. The minimum residency period prescribed for promotion to non-selection post will also be applicable for upgradation to Level-8. For assessment of vacancies for Direct recruitment the vacancies in all three grades i.e. Level 7, Level 8 and Level 9 will be taken altogether and recruitment will be made only in the grade of Level 7.

From these instructions, it is not clear whether filling up of vacancies arising in the upgraded post of Level-8 subsequent to 01.12.2022 are to be done by promotion with effect from the date of occurrence of vacancy or from the date of annual review and assessment of vacancies i.e 1st July of every year or, from the date of issue of office order.

However, in the PNM meeting held on this Railway with the recognised union i.e SRMU, a subject was raised regarding filling of upgraded posts in Level -8 from Level-7 employees. SRMU stated that the vacancies subsequently falling after 01.12.2022 in upgraded post are to be filled from the date of such posts becoming vacant.

It is seen that Board have advised that the upgraded posts in Level-8 are to be filled up broadly following the methods laid down for filling up non-selection posts and also that there is no change in nomenclature/ designation and duties & responsibilities of the upgraded posts.

In view of the above, Board is requested to kindly clarify whether filling up of vacancies arising in the upgraded posts of Level -8 subsequent to 01.12.2022 are to be done by promotion with effect from the date such vacancy has occurred in the upgraded posts of Level-8 or otherwise.

This has the approval of PCPO.
