THE SCHEDULE

[*See* section 2(*k*)]

ANY EXAMINATION CONDUCTED BY—

1. Union Public Service Commission.
2. Staff Selection Commission.
3. Railway Recruitment Boards.
4. Institute of Banking Personnel Selection.
5. Ministries or Departments of the Central Government and their attached and subordinate offices for recruitment of staff.
6. National Testing Agency.
7. Such other authority as may be notified by the Central Government.

STATEMENT OF OBJECTS AND REASONS

Government has introduced several reforms to enhance transparency in examinations for recruitment as well as admission to higher education institutions. These, *inter alia*, include introducing self-attestation; shortening examination cycle (from 18-22 months to 6-10 months); doing away with interviews for recruitment to Group 'C' and 'D'; introduction of computer based tests and issuance of appointment letters through digital means under "*Rojgar Mela*".

2. Malpractices in public examinations lead to delays and cancellation of examinations adversely impacting the prospects of millions of youth. At present, there is no specific substantive law to deal with unfair means adopted or offences committed by various entities involved in the conduct of public examinations by the Central Government and its agencies. Therefore, it is imperative that elements that exploit vulnerabilities of examination system are identified and effectively dealt with by a comprehensive Central legislation.

3. The objective of the Bill is to bring greater transparency, fairness and credibility to the public examination systems and to reassure the youth that their sincere and genuine efforts will be fairly rewarded and their future is safe. The Bill is aimed at effectively and legally deterring persons, organised groups or institutions that indulge in various unfair means and adversely impact the public examination systems for monetary or wrongful gains. Candidate as defined in the Bill shall not be liable for action within the purview of the Bill and shall continue to be covered under the extant administrative provisions of the concerned public examination authority.

4. The Bill shall serve as a model draft for States to adopt at their discretion. This would aid States in preventing the criminal elements from disrupting conduct of their State level public examinations.

5. The Bill seeks to achieve the above objectives.
